Research and Teaching Interest Code List

Please select a Subject, Geographic Area, and Time Period for each of your interests and enter them in the Research Interests Codes section of the front of the form in order of preference. You also may write in your specific country or region of interest. E.g. "French agricultural practices during the Napoleonic era" would be coded A 4 7 France. If your topic of interest covers multiple geographic areas and/or time periods use the General or Comparative (0) code.
