

RESTAURANT GUIDE:

Dear Participants in the 2017 Economic History Association Meetings in San Jose,

With the availability of YELP and other online search tools, the need for a special restaurant guide for our meetings has somewhat diminished. This curated list may still be helpful.

*The restaurant in the hotel is expensive. For breakfast and/or lunch, here are recommendations within a **10-minute** walk of the hotel. Walking time is in parentheses. Most of these are moderately priced*

The last part of the guide includes information on dining options outside of the immediate San Jose area, including some which are excellent but quite expensive.

Enjoy the meetings!

Alex Field, for the Local Arrangements Committee
